Honorable Mike Monroney
United States Senate
Washington, D. C.

Dear Senator Monroney:

Thank you for your letter of 8 December concerning the status of the application of [] for employment with this organization.

[] filed an application with us several years ago and has brought her interest in employment with us to our attention from time to time. However, our emphasis has been on the development of a career service based upon the selective recruitment of exceptional young men and women and a continuing program of internal development and competitive advancement. Most vacancies beyond the trainee level in professional fields are accordingly filled by reassignment and advancement within the ranks of career employees. Only occasionally are there vacancies or new positions requiring specialized skills or experience not to be found among our career employees. This being the case, it is doubtful that an opportunity commensurate with [] qualifications and interests will become available.

We have appreciated [] interest in serving with our organization.

Sincerely,
